InformationWhere would you like this app to
be available?*

Only in selected countries and regions

Asia (1)

Is your app free or paid?*

Free

When would you like publishing to
start? —

Leave this field blank to start the publishing process as soon as your app has been approved. To defer the start of the publishing process to a future time and date, select it here. Your app will be available in the Appstore a few hours after the publishing process starts.
